Dear Parent/Carer

Seasonal Flu vaccine offer – Reception to Year 11

The seasonal flu vaccine is part of a national health programme to protect children, their families and communities. For more information including possible side effects please visit: Flu vaccine - NHS

How to consent: We are coming to your child's school on **Wednesday 4th November** Please ensure that you have submitted a form even if you do not consent, by **Monday 2nd November** by clicking on the following link:

https://www.wakefieldschoolimmunisations.co.uk/Forms/Flu?schoolcode=WF133621

Alternatively, scan the **QR code** and enter the unique school code **WF133621**, when prompted. You will need to submit one form per child.

Does the nasal spray contain porcine?

Yes, but it is a very purified version which is barely detectable and because it is for medical purposes, it has been deemed permissible for use by the British Fatwa Council. We can offer an injectable vaccine alternative that **DOES NOT** contain porcine. This vaccine is only administered in those that require it for medical or cultural purposes. ***For primary school aged children, those having an injection need to be accompanied by a parent.***

After submitting consent, if your child attends the GP for the vaccination, you change your mind or if there are any health changes, you MUST contact us on the number above. (Please note that GP practices do not routinely offer Flu vaccinations to healthy children)

Providing you enter a correct email address, you will receive email confirmation when your child has received their vaccination, including information and advice about common side effects your child may experience.

Support in accessing or completing a form: If you experience any problems accessing or completing the online form, please contact us on the above telephone number and our team will be happy to help.

Yours faithfully

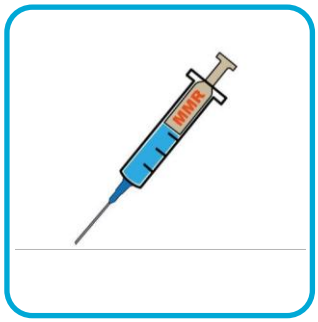
Important information about your child's health

Protecting your child against serious diseases

Dear Parent/Carer,

All children from Reception to Year 11 are offered the seasonal Flu vaccine

This protects against serious illness and complications caused by the flu virus, which can include hospitalisation and even death. It also reduces the spread of the virus to those who are most vulnerable.



We can offer an injectable vaccine alternative

This **DOES NOT** contain porcine and is only administered where it is required it for medical or cultural purposes.

For primary school aged children, those having an injection need to be accompanied by a parent.

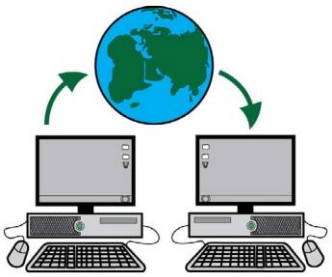
Please complete your form as soon as possible.

IMPORTANT: If you do not wish your child to receive the vaccination, it is still important that you complete the **'refusal section'** on the form so that we understand your wishes.

How to give consent

Bradford District Care
NHS Foundation Trust

website



Go to the following website

https://www.wakefieldschoolimmunisations.co.uk/Forms/Flu?schoolcode=WF133621

or

www.wakefieldschoolimmunisations.co.uk/Forms/Flu

enter code
